## VINEYARD

### COVID 19 RISK ASSESSMENT:

Risk Assessment done in compliance with Government Covid 19 Guidance. This assessment takes into account the risk factors and mitigates them to reduce risk of infections. We also ask visitors to consider their own risk and plan accordingly. We ask that all guests adhere to Government hand hygiene advice.

*If guests have any Covid 19 symptoms please **DO NOT** come to the vineyard and follow Government Guidance on self-isolating.*

Area	Hazard	Assessment / Risk control
Winery & Tastings	Spread of Covid 19	<ul style="list-style-type: none"> <li>• Reduced wine-tasting group size</li> <li>• Require guests to check-in with QR code or sign-in sheet</li> <li>• Alcohol-based hand sanitiser available to visitors</li> <li>• Open winery roller shutter when possible during tastings</li> <li>• Guest tables spaced far apart</li> <li>• Guests stay seated during tastings</li> <li>• Guests stay within their group (bubble)</li> <li>• Limited physical contact with staff where possible</li> <li>• Guests use the same glass for tastings</li> <li>• Facecovering optional</li> <li>• Enhanced cleaning between visits, including high-use touch-point areas</li> </ul>
